# Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

## Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Department of Children & Youth

**No serious risk non-compliances were observed during this inspection**

## Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

**No moderate risk non-compliances were observed during this inspection**

## Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

**Domain: 01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: There was 1 child not marked in on the attendance roster in the Transition Toddler room.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain**: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Equipment

Requirement: The program is required to refrain from placing indoor swings, slides, climbers, and climbing apparatus directly over a hard surface. Shock absorbent protective covering, intended to be a fall surface per manufacturer's guidelines, shall be placed and used under the equipment.

Finding: During the inspection, it was determined that indoor swings, slides, climbers, and climbing apparatus did not have required shock absorbent protective covering under and around the equipment.

The following was observed: A climbing apparatus in the Nursery 2 and Toddler 1 rooms was placed directly over carpet.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-12 Safe Equipment

Requirement: The program is required to use equipment, that is safe and hazard free, according to the manufacturer's guidelines. Fans, air conditioners, heat pumps, and space heaters must be inaccessible to children. The program is required to refrain from using trampolines, ball pits and inflatable equipment intended for climbing and bouncing, including but not limited to slides and bounce houses.

Finding: During the inspection, equipment was determined to be unsafe, hazardous to children, or in need of repair.

The following was observed: During the inspection, it was determined that the program's fan located in the fellowship hall was in use and in reach of children. The fan had openings a finger could enter.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from items or conditions which may threaten their health, safety, or well-being.

The following was observed:

1. Cords connected to a fan in the fellowship hall posed a tripping hazard as the fan was placed in an area children were running and playing.

2. Area rugs posed a tripping hazard in the Transition Toddler classroom, in that, the rugs were not secured to the floor.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to use the appropriate form and retain current documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Finding: During the inspection, it was determined the program did not meet the requirements for administering medication to a child.

The following was observed:

1. 2 medications; Epi Pen and Tylenol were expired.

2. 1 prescription label for Albuterol stated to discard the medication after 6/2/2026.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

## Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

**Domain: 08 Staff Files**

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculois (TB) screening prior to the first day of employment.

Findings: During the inspection, it was determined verification of TB screening was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

**Domain: 09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Findings: During the inspection, it was determined the child's enrollment form is not complete or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

**Domain: 10 Written Policies & Procedures**

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Written Policies Missing:

1. Written security plan that ensures access to center is limited to parents and guardians of children in care and authorized persons.

2. Policy to prohibit center employees from exposing children to inappropriate language, media, or behavior.

3. Social media policy including, but not limited to, addressing publication of child photos or other identifying information (if applicable)

4. Usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone (if applicable)
