Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in OCLQS.

Finding: During the inspection, it was determined the information in number(s) 2 below was not up to date in the Ohio Child Licensing and Quality System (OCLQS), in that the number listed is a fax machine number:

1. Mailing address

2. Telephone number

3. Email address

4. Days and hours of operation

5. Services offered

6. Name of program

7. Private pay rates

Technical assistance was provided, and as discussed, log on to OCLQS and update the information, as required.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1 below, in that a child walked into the offices unattended and was in the office for approximately 2 minutes before a staff member came to look for him:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide equipment and materials that are easy to clean.

Finding: During the inspection, it was determined that at least one piece of equipment, furnishings, or material (grey stools and pillow in school age room) at the program was not constructed of materials to facilitate cleaning as noted in number(s) 1 below:

1. The material had a tear.

2. The material was not washable.

3. The material was porous.

4. The surface was cracked.

5. The surface was repaired, but in a manner that still did not facilitate cleaning.

6. Other [ ].

Equipment, furnishings, and furniture shall be constructed of materials to facilitate cleaning. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number(s) 1,5 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.

2. At least one staff/child did not wash their hands prior to departure.

3. At least one staff did not wash their hands upon entry into a classroom.

4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.

5. At least one staff/child did not wash their hands after each diaper change or pull-up change.

6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.

7. At least one child did not wash their hands after contact with bodily fluids.

8. At least one child did not wash their hands after returning inside after outdoor play.

9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.

10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.

11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.

12. At least one child did not wash their hands before eating or assisting with food preparation.

13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.

14. At least one child did not wash their hands after water activities.

15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).

16. Other [ ].

Rule: 5180:2-12-11 Outdoor Play Equipment

Department of Children & Youth

Requirement: The program is required to provide equipment that does not pose a safety risk and must follow the manufacturer's guidelines for assembling, installing and using the equipment.

Finding: During the inspection, it was determined that outdoor play equipment was unsafe or not used as intended as noted in number(s) 11 below, in that staff stated there was a cover at one time, but they are unsure what happened to it:

1. There was rust exposed.

2. There were protruding bolts.

3. There were cracks.

4. There were holes.

5. There was splintering wood.

6. There were sharp edges or points.

7. There were lead hazards.

8. There were toxic substances.

9. There were tripping hazards.

10. There was chipped and/or peeling paint.

11. The sandbox was not covered when the program was closed or during non-daylight hours.

12. Outdoor equipment, [ ] was not developmentally appropriate.

13. Outdoor equipment, [ ], was placed in the main traffic pattern.

14. Outdoor play equipment, [ ], was positioned too closely together, posing a risk of injury if a child were to fall from one piece of equipment into another.

15. Outdoor equipment, [ ], was not securely anchored but did not present a risk of imminent danger of the structure collapsing when children are using the equipment

16. Outdoor equipment, [ ], was 30 inches or more from the ground and did not have a protective barrier that would prevent a child from falling off this piece of equipment.

17. The manufacturer's guidelines for assembly and installation were not followed for the [ ].

18. Functionally linked equipment was used by preschool-age children and the distance between two adjacent pieces of equipment exceeded 12 inches.

19. Functionally linked equipment was used by school-age children and the distance between two adjacent pieces of equipment exceeded 18 inches.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Daily Care

Requirement: The program is required to provide a daily written record for each infant in care to the parents when picking up the infant each day.

Finding: During the inspection, it was determined that the written record used to document infant routines and activities did not meet the requirements as noted in number(s) 2-5 below:

1. A daily written record was not provided to the parent or person picking up the infant on a daily basis.
2. Food intake was missing.
3. Sleeping patterns was missing.
4. Times and results of diaper changes was missing.
5. Information about daily activities was missing.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in number(s) 5 below:

1. Written instructions were not on file.

2. Type of food and/or formula/breast milk was missing.

3. Amount of food and/or formula/breast milk was missing.

4. Feeding times or frequency of feedings was missing.

5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in number(s) 1 below:

1. Verification of completion of a high school education was not on file.

2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.

3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.

4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.
