Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review.

The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have all DCY 01236 "Child Medical/Physical Care Plan for Child Care" and all items required to provide treatment while on trips.

Finding: During the inspection, it was determined that the health care plan/supplies needed to provide treatment for a child with documented seizures was not taken on all routine and/or field trips for children with special health conditions as indicated on the Children Record Review form.

Provide staff training. Submit the program's corrective action plan, which includes a written statement that verifies completed medical/physical care plans, any supplies needed to implement the plan and any medication that may need to be administered will be taken on all future field trips and routine trips, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed:

Printed names of childcare staff members who received instructions or were trained to perform the procedure were missing.

Signatures of childcare staff members who received instructions or were trained to perform the procedure were missing.

Date of staff signature was missing.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item or condition which may threaten their health, safety, or well-being. This was a rule noncompliance on the last annual inspection dated 9.3.2025.

The following was observed:

A floor surface caused a slipping or tripping hazard in that a rug was slippery in the toddler 2 room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/30/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-16 Incident/Injury Reporting

Requirement: The program is required to complete the DCY 01299 "Incident/Injury Report" for injuries and incidents at the program, provide a copy to the person who picks the child up on the day of the incident, and retain a copy of the form onsite at the program for one year.

Finding: In review of the records, it was determined the program did not meet the requirements for completing a DCY 01299 "Incident/Injury Report".

The following was observed:

The name of the persons responsible for the child at the time of the incident was incomplete on the DCY 01299.

The number of children present in the group at the time of the incident was incomplete on the DCY 01299.

The date and/or time of the incident was incomplete on the DCY 01299.

Whether or not parents were contacted was incomplete on the DCY 01299.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
