Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Child Guidance
Code: The program staff shall use developmentally appropriate techniques when managing children's behavior and shall not abuse, endanger or neglect children.

Allegation: A staff person physically abused a child.

Determination: Substantiated

Findings: During the inspection, it was determined that a Child Care Staff Member had abused, endangered, or neglected a child. A staff person harshly grabbed a child by the wrist and arm, dragged them across the room and forcefully placed the child on a chair. There were bruises on the child's arm as a result of the staff person grabbing the child. Child Care Staff Members, administrators, and owners must always use appropriate guidance and management methods with children and ensure that children are safe at all times. The individual needs to be released from employment immediately. Submit the program's corrective action plan, which includes a statement that the individual is no longer employed, to the Department to verify compliance with the requirements of this rule.
