Ohio Department of Children & Youth

Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code:

Allegation: The program is not protecting children with allergies from an unsafe situation.

Determination: Unable to be determined

Findings: Based upon the investigation, the alleged rule violation was unable to be determined due to after discussing the children with allergies and reviewing care plans related to the allergies, it was determined that the program made environmental adjustments for a child with possible allergies to fragrances. All potential hazards listed on the medical documentation were removed from the child's classroom directly after receiving instructions from the child's doctor. There is not enough evidence to support the allergation.
