Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of two (2) child care staff member(s) for twenty-one (21) children was determined to have occurred for the Preschool, Pre-K, and School Age combined group when the situation in number 15 below occurred:

1. A child care staff member stepped out of the room.

2. A child care staff member had not arrived at work on time.

3. Children were present who were not scheduled to be there.

4. A child care staff member was unable to work.

5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program.

15. Other: 2 two and half year olds were moved in to the older combined group of preschool, Pre-K and school age and the program did not follow the ratio for the youngest child in the group.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal and Snack Requirements

Requirement: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number(s) 3 & 5 below:

1. The breakfast served did not include foods from three of the four food groups.

2. Snack served did not include foods from two of the four food groups.

3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.

4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.

5. The meal served did not include an item from the meat or meat alternative group.

6. The meal served did not include an item from the bread or grain group.

7. The meal served did not include two items from the fruit/vegetable group.

8. The meal served did not include a vegetable (two fruits were served).

9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 5 below:

1. There was no method in place;

2. The method did not include each child's name;

3. The method did not include each child's date of birth;

4. The tracking method did not remain with the group at all times;

5. The tracking method was not updated throughout the day as children entered or left the group. School age children departure time not documented.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Group Size

Requirement: The program is required to maintain the appropriate group size for each group of children served.

Finding: During the inspection, group size limitations were not maintained for the group of preschool, pre-K and school age as it was determined there were two 2 1/2 year old children grouped together. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in number 1 below:

1. Verification of completion of a high school education was not on file.

2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.

3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.

4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 5, 6 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.

2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.

3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.

4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.

5. At least one individual's schedule was not current.

6. At least one individual's position or role did not include an applicable group assignment.

7. At least one individual's employment had not been end dated.

8. Other: [ ]

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 1, 2, 3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1, 6 a-d below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;

5. A statement was missing that verifies the employee is:

a. Physically fit for employment in a program caring for children;

b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);

c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:

a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.

b. Results of a TB test for employees meeting both criteria in 6a.

c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
