Ohio Department of Children & Youth

Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code:

Allegation: Ratios are out of compliance, and Administration instructs staff to deal with it.

Determination: Unable to be determined

Findings: Based upon the investigation, the alleged rule violation was unable to be determined. All staff stated if they run over ratio, they either call for help or bump a child to a different group. All denied being asked to stay out of ratio.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if

the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to an increased risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-18 Ratio
Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.
Finding: During the inspection, a ratio of 1 child care staff member(s) for 8 children was determined to have occurred when the Toddler and 2 1/2 groups were combined.
The following was observed: The two groups were combined on the playground when 1 staff member took a child inside for a diaper change and both teachers thought there were 7 children left on the playground with the other teacher. However, 8 children were observed with the teacher left on the playground.
Provide staff training on staff:child ratios and name to face attendance procedures to prevent this error. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
Corrective Action Plan Due: 09/18/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

No other non-compliances were observed during this inspection
