Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:05 Health & Safety

Rule: 5180:2-12-22 Meal and Snack Requirements
Code: The program is required to obtain written approval from a licensed physician if a child is to have a food group eliminated from their diet.

Allegation: Serving Sizes are not being followed and the children are not getting enough food served to them.

Determination: Substantiated

Findings: During the inspection, it was determined that an entire food group was eliminated for a child, and written instructions from a licensed physician were not file. Refer to the Children Records Review for the names of children who do not have these instructions on file. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time. There were children that did not receive their fruit and/or milk during breakfast.

Risk Level: Low

Domain:05 Health & Safety

Rule: 5180:2-12-22 Meal and Snack Requirements
Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Allegation: Serving Sizes are not being followed and the children are not getting enough food served to them.

Determination: Substantiated

Findings: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number(s) 3 below:

1. The breakfast served did not include foods from three of the four food groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
