Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 9 children was determined to have occurred for the combined Infant group when the situation in number 4 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.

Ohio Department of Children & Youth

5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/04/2025

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 1 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.

Ohio Department of Children & Youth

5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/04/2025

Domain: 05 Health & Safety

Rule: 5180:2-12-16 Management of Communicable Disease
Code: The program is required to post the JFS 08087 "Ohio Communicable Disease Chart".

Finding: During the inspection, it was determined that the JFS 08087 "Ohio Communicable Disease Chart" was not posted as required, as indicated in number 3 below:

1. The chart was not posted.
2. In a location readily available to program staff and parents.
3. The posted chart was not the current version, and the Child Care Manual Procedural Letter No. 159 was not attached.
4. The posted chart was not displayed in the size available in the ODJFS forms central to be easily read.

Technical assistance was provided at the time of inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 06 Program Information

Rule: 5180:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to have identification, including the program's name, address, and a contact phone number, on children while on trips.

Finding: During the inspection, it was determined that the children were not provided with any, or complete, program identification, while on a field trip and/or routine trip. The identification must include the program's name, address, and a telephone number to contact in the event the child becomes lost. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 06 Program Information

Rule: 5180:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number 1 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: [ ].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 06 Program Information

Rule: 5180:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to take all required safety and health items on trips.

Finding: During the inspection, it was determined that all required items were not taken on a field trip and/or routine trip as determined in that the item numbers 3 and 4 below was missing:

1. Completed copies of the JFS 01234 "Child Enrollment and Health Information For Child Care" (except routine walks);
2. First aid supplies;

3. A working cellular phone or other means of immediate communication (not to be used while a vehicle is in motion);
4. Written record of children on the trip, including which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

Provide staff training. Submit the program's corrective action plan, which includes a written plan that ensures these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/04/2025

Domain: 08 Staff Files

Rule: 5180:2-12-08 Medical Statement
Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 1 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
a. Physically fit for employment in a program caring for children;
b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
b. Results of a TB test for employees meeting both criteria in 6a.
c. Results of additional testing for employees with a positive TB test.
d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
