Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment
Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in low unlocked cabinets in Orange Preschool, Blue Preschool and Schoolage camp classrooms where children had access to it, as noted in number(s) 1 (bleach water); 2 (disinfectant spray) below.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.
4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.
7. Flammable substance.

8. Windshield washer fluid.
9. Aerosol cans.
10. A lawn mower.
11. A weed trimmer.
12. Hedge trimmers.
13. A snow blower.
14. Other potentially hazardous substance, equipment or machinery: [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 3 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

37. Signature of person administering medication/medical food was missing.
38. The plan was not followed or implemented.
39. The plan was not able to be implemented due to conflicting information.
40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.
41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.
42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.
43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.
44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
45. The JFS 01236 had not been updated as needed and at least annually.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-25 Medication Administration
Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Finding: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number(s) 4 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: [ ].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under

medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
