Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program administrator and owner are required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that the program owner reported that the identified children and staff were not part of her program. The rule requires the program to provide accurate and truthful information to the Department.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and

Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/22/2026

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 1 below:

1. The [ ] room or space was not approved.

2. Children under school age were being cared for in a building only approved for school age.

3. The space had been modified and not yet re-inspected and approved.

4. The [ ] floor, which had not been approved by the building department for child care, was being used.

5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.

6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.

7. Care was provided to [ ] children less than two and one-half years of age. This violated the program's building code limitation in that, [ ].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/17/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child(ren) were left unattended once.

2. Child(ren) were left unattended more than once.

3. Child(ren) left the group and were unattended.

4. Child care staff were using a baby monitor to supervise children.

5. Child care staff were using a walkie talkie to supervise children.

6. Child care staff were using mirrors to view children in another room.

7. Child care staff were using a video camera instead of physically being present in the room.

8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in numbers 1, 2, and 3 below:

1. The request for a background check for child care was not submitted in the OPR.

2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.

4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-04 Food Service Requirements

Requirement: The program is required to maintain a copy of the current Ohio Department of Agriculture registration for any off-site food processing establishment they may utilize.

Finding: During the inspection, it was determined that a copy of the off-site food processing establishment's current Ohio Department of Agriculture registration was not on file at the program. Submit the program's corrective action plan, which includes a copy of the current registration, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number 1 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises (unapproved area).

2. The written permission was missing the child's name.

3. The written permission was missing the date(s) of the trip(s) (field trips only).

4. The written permission was missing the destination(s) of the trip(s).

5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).

6. The written permission was missing the signature of the parent.

7. The written permission was missing the date on which the permission was signed.

8. The written permission was missing a statement notifying parents how their child will be transported.

9. Permission forms for routine trips were not being updated annually.

10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.

11. Other: [ ].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
