Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Ohio Department of Children & Youth

Finding: During the inspection, a ratio of 1 child care staff member(s) for 13 children was determined to have occurred for the Toddler group when the situation in number 9 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/09/2025

Domain: 06 Program Information

Rule: 5180:2-12-14 Transportation - Vehicle Requirements
Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number 4 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected.

3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5180:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.
