Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Child Guidance
Code: The program staff shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Allegation: Child care staff member used inappropriate guidance techniques

Determination: Substantiated

Findings: During the inspection, it was determined that a Child Care Staff Member had used the inappropriate techniques in number(s) 1 & 4 below when managing unacceptable behavior in children:

1. Utilize cruel, harsh, unusual, or extreme techniques; child care staff member grabbed child's cheeks.
2. Utilize any form of corporal punishment;
3. Delegate children to manage or discipline other children;
4. Use physical restraints on a child; child care staff member held child in water sprinkler while child was in distress.
5. Restrain a child by prone restraint or any means other than holding children for a short period of time, such as in a protective hug, so that the children may regain control;
6. Place children in a locked room or confine children in any enclosed area;
7. Confine children to equipment such as cribs or highchairs;
8. Humiliate, threaten or frighten children;
9. Subject children to profane language or verbal abuse;
10. Make derogatory or sarcastic remarks about children or their families;
11. Punish children for failure to eat or sleep or for toileting accidents;
12. Withhold any food (including snacks and treats), rest or toilet use;
13. Punish an entire group of children due to the unacceptable behavior of one or a few;
14. Isolate and restrict children from all activities for an extended period of time.

Child Care Staff Members and other employees must always use appropriate guidance and management methods with children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to protect or remove a child from a situation and/or person that are determined to be unsafe or inappropriate.

Allegation: Children not protected from inappropriate language

Determination: Substantiated

Findings: During the inspection, it was determined the administrator, child care staff, and/or employees of the program did not protect or remove children from a situation and/or person determined to be unsafe or inappropriate as noted in number(s) 4 below:

1. Verbal argument involving adults.
2. Staff member(s) allowed child(ren) to do something unsafe.
3. Staff member(s) did something unsafe.
4. Children were exposed to inappropriate language by a staff member
5. Other

While the program did not protect the child(ren) from an unsafe or inappropriate situation and/or person, it was determined the situation would not or did not result in a serious incident or injury to a child. All program employees must take actions to protect children in care. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
