Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment
Code: The program is required to prohibit weapons, firearms, and ammunition from the premises. Individuals who are permitted to carry a weapon in a child care center include law enforcement officials, active duty members of the U. S. armed forces and individuals with a valid concealed handgun license.

Finding: During the inspection, it was determined there were [weapons/firearms/ammunition] on the premises of the program as noted in number 1 below:

1. Weapons, firearms, and/or ammunition were accessible to children on the premises.
2. The individual with documentation of a valid exemption did not carry the weapon(s) in a secure manner.
3. The individual owning or carrying the weapons, firearms and/or ammunition did not have a valid concealed handgun license, was not a law enforcement official with documentation that his or her jurisdiction requires ready and immediate access to the weapon, and/or was not an active duty member of the U.S. armed forces and carrying valid military identification and documentation of successful completion of firearms training that meets the requirements listed in rule.

These items must be removed from the program or proper documentation obtained.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that the [weapons/firearms/ammunition] have been removed or proper documentation obtained, and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/13/2025
