Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:02 Safe & Sanitary Environment

Rule: 5180:2-12-13 Sanitary Equipment and Environment
Code: The program is required to follow the cleaning schedule for equipment.

Allegation: The rooms are not cleaned daily and kept sanitary at all times, as a result, children are passing communicable illnesses to each other.

Determination: Substantiated

Findings: During the inspection, it was determined that the program was not providing a clean and healthy environment. The changing pad in the infant room was not sanitized after each use. Cots were not cleaned and sanitized after each use. Cots were not assigned to individual children, therefore after each use cots need to be cleaned and sanitized. Furniture, materials and equipment must be maintained according to the cleaning and sanitizing schedule in Appendix A to this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule.

Risk Level: Low

Corrective Action Plan Due: 09/06/2025

Domain:05 Health & Safety

Rule: 5180:2-12-16 Management of Communicable Disease
Code: The program is required to notify the parent of any child who is exhibiting symptoms of an illness.

Allegation: Children with signs and symptoms of illnesses are not isolated and discharged as required.

Determination: Substantiated

Findings: During the inspection, it was determined that procedures for isolating a child due to a suspected communicable disease were not followed in that children were not cared for in another room or portion of a room away from other children or provided with a cot or mat. Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule.

Risk Level: Low

Corrective Action Plan Due: 09/06/2025
