Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-20 Cots and Napping
Code: The program is required to provide a quiet activity for children who do not fall asleep after an appropriate length of time.

Finding: During the inspection, it was determined that at least one child who had not fallen asleep after an appropriate length of time was not provided with an opportunity to engage in quiet activities. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1, 5 below in that an infant was in a crib in the corner of the crib space where the staff member could not see the infant from the play area and the staff member did not check on the infant every few minutes:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.

2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: the classroom lights were off and the door in the nap area of the Starfish room was covered with a sheet so that there was not enough light to clearly see infants in cribs at nap time.

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 02/24/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-20 Cots and Napping
Code: The program is required to not block pathways or exits with furniture or materials while the children are resting, napping, and/or sleeping.

Finding: During the inspection, it was determined that the placement of cots or mats in the Guppies and Jellyfish nap rooms did not meet the requirements as noted in number(s) 3 below:

1. The placement did not allow for a clear pathway to each cot.
2. Cots or mats blocked exits.
3. Equipment was placed in front of exit doors to make room for cots.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements
Code: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number(s) 12 below, as required in rule in the Guppies and Lobster rooms when children were observed playing with toys in the classroom and then going to the lunch table without washing hands.

1. At least one staff/child did not wash their hands upon arrival for the day.
2. At least one staff/child did not wash their hands prior to departure.
3. At least one staff did not wash their hands upon entry into a classroom.
4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.
5. At least one staff/child did not wash their hands after each diaper change or pull-up change.
6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
7. At least one child did not wash their hands after contact with bodily fluids.
8. At least one child did not wash their hands after returning inside after outdoor play.
9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.
10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.
11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.
12. At least one child did not wash their hands before eating or assisting with food preparation.
13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.
14. At least one child did not wash their hands after water activities.
15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).
16. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
