Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to have medication, medical foods and topical products labeled with the child's name.

Finding: During the inspection, it was determined that a medication, medical food or topical product was at the program which had not been labeled with the child's name. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Child's name needs written on topical products. It was also determined the program did not ensure the exact product, generic or name brand, was listed on the appropriate documentation as required, however the information listed matched the active ingredients of the product administered.

Corrective Action Plan Due: 10/17/2026

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Findings: During the inspection, it was determined employment records are missing or incomplete in the OPR as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Findings: During the inspection, it was determined the child's enrollment form is not complete or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
