Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 ""Health Care Plan Documentation & Permission to Administer Medication"" or equivalent form.

The following was observed: no plan on file when needed, care plan instructions did not match prescription label

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: 1 of 2 staff members not near enough to intervene if needed with the school age classroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-20 Cots and Napping

Requirement: The program is required to not block pathways or exits with furniture or materials while the children are resting, napping, and/or sleeping.

Finding: During the inspection, it was determined that the placement of cots or mats in the school age nap room did not meet the requirements.

The following was observed: the mats were not spaced appropriately.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: peeling paint in the classrooms, a staff members purse stored on a low shelf in an unlocked cabinet

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation - Vehicle Requirements

Requirement: The program is required to complete and document weekly inspections of vehicles used to transport children.

Finding: During the inspection, it was determined that the program had not performed and/or documented weekly inspections of vehicles used for transporting children.

Submit the program's corrective action plan, which includes a copy of the documented weekly inspection of vehicles, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-20 Cribs

Requirement: The program is required to have the mattress support in the lowest position and crib rails in the highest position in all cribs.

Finding: During the inspection, it was determined the mattress support was not maintained at the lowest position for all cribs when in use, as required. Except when infants are being placed in cribs, removed from cribs, or being soothed, the sides should remain in the highest position. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing an item(s).

The following was observed as missing: policy to prohibit center employees from exposing children to inappropriate language, media or behavior, Appendix C, social media policy including addressing publication of child photos or other identifying information, usage of emergency medical devices and emergency medications, including Automated External Defibrillators (AED) and Naloxone.

(

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.
