Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for different groups on multiple occasions, as noted below:

The ratio determined for the Infant/Toddler group was 1 Child Care Staff Member(s) for 6 children. Additionally, a ratio of 1 Child Care Staff Member(s) for 14 children was determined for the Toddler/Preschool/School age group.

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/07/2024

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 30, 41 below:

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size
Code: The program may combine all age groups when there are twelve or fewer children in the center.

Finding: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12 children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 1 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in number(s) 2, 8, 10 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).

5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: [ ].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to have staff trained in CPR, First Aid, and Communicable Diseases on all trips.

Finding: During the inspection, it was determined that a person trained in cardiopulmonary resuscitation (CPR), first aid and management of communicable disease, had not been present for number(s) 1 below as required by the rule:

1. In the vehicle for routine trips;
2. In the vehicle for field trips;
3. At the destination on all field trips.

Secure current training for the area needed or restructure the staff who are currently trained on the vehicle during routine trips and field trips. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
