Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 15 children was determined to have occurred for the Preschool/School age group.

The following was observed: Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have an additional adult accompany on the trip.

Finding: During the inspection, it was determined that an additional adult did not accompany the Preschool/School age group of children and Child Care Staff Member on the vehicle used and/or walking during routine and field trips. To ensure the safety of children, an additional adult must be present on all trips for every five infants; any combination of seven or more toddlers, preschool and school children; and every ten school children if the group includes only school children on a walking trip. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have all DCY 01236 "Child Medical/Physical Care Plan for Child Care" and all items required to provide treatment while on trips.

Finding: During the inspection, it was determined that the health care plan/supplies needed to provide treatment for child(ren) with health care conditions were not taken on all routine and/or field trips for children with special health conditions as indicated on the Children Record Review form:

Provide staff training. Submit the program's corrective action plan, which includes a written statement that verifies completed medical/physical care plans, any supplies needed to implement the plan and any medication that may

need to be administered will be taken on all future field trips and routine trips, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed: Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: Facility schedule.

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/14/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Equipment

Requirement: The program is required to use equipment, that is safe and hazard free, according to the manufacturer's guidelines. Fans, air conditioners, heat pumps, and space heaters must be inaccessible to children. The program is required to refrain from using trampolines, ball pits and inflatable equipment intended for climbing and bouncing, including but not limited to slides and bounce houses.

Finding: During the inspection, equipment was determined to be unsafe, hazardous to children, or in need of repair.

The following was observed: A ball pit was used in the infant room.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met.

The following was observed: Permission forms for routine trips were not being updated annually.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have identification, including the program's name, address, and a contact phone number, on children while on trips.

Finding: During the inspection, it was determined that the children were not provided with any, or complete, program identification, while on a field trip and/or routine trip. The identification must include the program's name,

address, and a telephone number to contact in the event the child becomes lost. Submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/14/2026

Rule: 5180:2-12-20 Cribs - Safe Environment and Practices

Requirement: The program is required to obtain written permission from parents of children who are over 12 months old and will using a cot/mat instead of a crib.

Finding: During the inspection, it was determined that an infant who was 12 months or older was assigned to a cot/mat without written permission from the parent, as required by this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-23 Infant Daily Care

Requirement: The program is required to provide a daily written record for each infant in care to the parents when picking up the infant each day.

Finding: During the inspection, it was determined that the written record used to document infant routines and activities did not meet the requirements.

The following was observed: A daily written record was not provided to the parent or person picking up the infant on a daily basis.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/14/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to train child care staff members and employees on the EPRP annually and keep written documentation of the training on-site.

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement for training child care staff members and employees on the plan annually.

The following was observed: Child care staff members and employees were not trained annually.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule
