Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed:

• The individual(s) had engaged in assigned duties or were near children or otherwise have access to children and preliminary approval from DCY was not on file.

• Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as required in rule.

The following was observed:

-At least one child did not wash their hands after toileting in the preschool classroom.

-At least one staff did not wash the child's hands after each diaper change.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was not used or stored properly

The following was observed: Disinfecting wipes were accessible to children in the Pre-K bathroom under an unlocked sink.

Provide staff training. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed: The outdoor area was littered with trash in both playgrounds.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
