Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 6 children was determined to have occurred for the school age/infant group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2024

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1,4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2024

Low Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Separation of Children Under 2 1/2 Years
Code: The program is required to separate children younger and older than 2 1/2 years of age.

Finding: During the inspection, it was determined a group that included at least one child less than the age of two and one half years of age was not kept separate from groups of older children as noted in number(s) 1 below:

1) The school age/infants group, which included children less than two and one half years of age, were cared for in a space where a group of older children were receiving care.
2) A barrier was not used to separate the space being used by the group of children less than two and one half years of age from space being used for groups of children two and one half years and older.
3) The barrier separating the groups was not at least 36 inches in height.
4) The barrier separating the groups was not continuous.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements
Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number(s) 6 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
8. Other: [ ]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2024

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement
Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 1 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
a. Physically fit for employment in a program caring for children;
b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:
a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
b. Results of a TB test for employees meeting both criteria in 6a.
c. Results of additional testing for employees with a positive TB test.
d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-10 Professional Development Requirements
Code: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement as noted in number(s) 1 below:

1. The child care staff member(s) had not completed at least six hours of professional development.
2. Documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule.
3. Training topic did not meet the requirements listed in appendix A of this rule.
4. Documentation of training did not meet the requirements of this rule.
5. The substitute(s) had been used more than ninety days annually between July first and June thirtieth and had not completed at least six hours of professional development
6. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2024

Domain: 09 Children's Files

Rule: 5101:2-12-15 Child Medical and Enrollment Records
Code: The program is required to use the updated JFS 01234 "Child Enrollment and Health Information For Child Care" .

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the JFS 01234 “Child Enrollment and Health Information For Child Care”, as required, for the items in number(s) 8 below.

1. No enrollment form was completed for at least one child
2. The current JFS 01234 was not completed for at least one child
3. Complete child information
4. Complete parent information
5. Complete emergency contact information
6. Complete physician information
7. Information regarding the parent list
8. Health information
9. Additional information for all boxes checked “yes”
10. Emergency transportation information
11. Parent/guardian’s signature
12. Diapering Statement
13. Acknowledgement of Policies and Procedures
14. Enrollment form for at least one child was not updated by either the parent or the administrator
15. Enrollment form for at least one child was not signed by the administrator
16. Other [ ]

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-16 Written Disaster Plan
Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program’s written disaster plan did not meet the requirement or was missing the information in number(s) 12 below:

Procedures:
1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
