Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 7 children was determined to have occurred for the mixed age group including 1 infant 17 months old, when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/19/2024

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements
Code: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 10 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other; no fencing.

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-17 Daily Outdoor Play
Code: The program is required to provide daily outdoor play for all children.

Finding: During the inspection, it was determined that daily outdoor play was not provided for the groups. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Daily Care
Code: The program is required to provide a daily written record for each infant in care to the parents when picking up the infant each day.

Finding: During the inspection, it was determined that the written record used to document infant routines and activities did not meet the requirements as noted in number(s) 1 below:

1. A daily written record was not provided to the parent or person picking up the infant on a daily basis.
2. Food intake was missing.
3. Sleeping patterns was missing.
4. Times and results of diaper changes was missing.
5. Information about daily activities was missing.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Qualifications
Code: The program administrator is required to complete the rules course reivew within the defined time period.

Finding: During the inspection, it was determined that the administrator had not completed the required rules review course provided by this Department for program administrators within the time period defined in this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Corrective Action Plan Due: 09/19/2024

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements
Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 4 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/19/2024

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-16 Written Disaster Plan
Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number(s) 10 below:

Procedures:
1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
6. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.
7. Outbreaks, epidemics or other infectious disease emergencies
8. Loss of power, water, or heat
9. Other threatening situations that may pose a health or safety hazard to the children in the program

Details:

10. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent. The newest changes required had not been included.
11. A designated safe site where staff and children can safely remain when evacuated.
12. Assisting infants, toddlers and children with special needs and/or health conditions
13. Emergency contact information for parents and the program
14. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
15. Procedures for communicating with parents during loss of communications, no phone or internet service available
16. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
17. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
18. Making the plan available to all child care staff members and employees
19. Training of staff or reassignment of staff duties as appropriate
20. Updating the plan on a yearly basis
21. Contact with local emergency management officials

Make the necessary revisions to the disaster plan. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
