Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Child Guidance and Behavior Management
Code: The program staff shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Allegation: A child care staff member used prohibited techniques when managing unacceptable behavior in children.

Determination: Substantiated

Findings: During the inspection, it was determined that a Child Care Staff Member had used the inappropriate techniques in number(s) 1 below when managing unacceptable behavior in children:

1. Utilize cruel, harsh, unusual, or extreme techniques; Child care staff pulled a child by their ears and spoke to them in a harsh manner.
2. Utilize any form of corporal punishment;
3. Delegate children to manage or discipline other children;
4. Use physical restraints on a child;
5. Restrain a child by prone restraint or any means other than holding children for a short period of time, such as in a protective hug, so that the children may regain control;
6. Place children in a locked room or confine children in any enclosed area;
7. Confine children to equipment such as cribs or highchairs;
8. Humiliate, threaten or frighten children;
9. Subject children to profane language or verbal abuse;
10. Make derogatory or sarcastic remarks about children or their families;
11. Punish children for failure to eat or sleep or for toileting accidents;
12. Withhold any food (including snacks and treats), rest or toilet use;
13. Punish an entire group of children due to the unacceptable behavior of one or a few;
14. Isolate and restrict children from all activities for an extended period of time.

Child Care Staff Members and other employees must always use appropriate guidance and management methods with children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to an increased risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-19 Supervision
Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.
Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 8 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other- Child care staff member was sleeping while supervising the children at nap.

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Department of Children & Youth

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.
Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-19 Supervision
Requirement: The program staff is required to protect or remove a child from a situation and/or person that are determined to be unsafe or inappropriate.
Finding: During the inspection, it was determined the administrator, child care staff, and/or employees of the program did not protect or remove children from a situation and/or person determined to be unsafe or inappropriate as noted in number(s) 5 below:

1. Verbal argument involving adults.
2. Staff member(s) allowed child(ren) to do something unsafe.
3. Staff member(s) did something unsafe.
4. Children were exposed to inappropriate [language; conversation; behavior; video; music; DVD] by a [staff member/child/parent].
5. Other- Child care staff did not intervene to protect a child from a staff member using prohibited guidance and management techniques.

While the program did not protect the child(ren) from an unsafe or inappropriate situation and/or person, it was determined the situation would not or did not result in a serious incident or injury to a child. All program employees must take actions to protect children in care. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
