Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: • Signature of parent granting permission to implement the plan and verifying training was missing.

• Date of parent signature was missing.

• Printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.

• Signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing.

• Date of staff signature was missing.

• Medication listed in the procedures was not onsite and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/24/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-04 Food Service Requirements

Requirement: The program is required to refrain from preparing and serving food as stated in their exemption from a food service license.

Finding: During the inspection, it was determined that food was prepared and served in violation of the terms of the program's Food Service License Exemption report, in that the program did not have a food service license exemption

on file. This exemption should be documented on form DCY 01240 (or other written documentation from the local health department).

The program must operate in accordance with the terms of the food service exemption status.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: • Medical or dental emergencies, including emergency transportation

• Emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1.

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

Domain: **10 Written Policies & Procedures**
Rule: 5180:2-12-07 Written Program Policies and Procedures
Requirement:The program's policies and procedures are required to include all topics outlined in rule.
Findings:During the inspection, it was determined the program's policies and procedures handbook does not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time. Please correct the handbook to include missing items; this will be verified at the next inspection. Please ensure the following is now included:

• Outdoor play, including limitations placed on outdoor play due to weather or safety issues. Considerations may include but are not limited to temperature, humidity, wind chill, ozone levels, pollen count, lightning, rain or ice.
• Suspension, expulsion and disenrollment.
• Policy to ensure compliance with the Americans with Disabilities Act (ADA), including administering medication and/or care procedures to children with disabilities. (At minimum, you can write "We ensure compliance with the ADA, including administering medication and care procedures to children with disabilities.")
• Administration of medication and topical products policy.
• Sleeping, napping and resting
• Formal screenings and assessments on enrolled children and if the program reports child level data to DCY pursuant to Chapter 5180:2-17 of the Administrative Code.
• Social media policy including, but not limited to, addressing publication of child photos or other identifying information, if applicable.
