Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff are not permitted to leave children unattended.

Finding: During the inspection, it was determined that children were not supervised while outside the program as noted in number(s) 1 below:

1. Child(ren) left unattended outside the facility building.
2. Child(ren) left unattended outside the facility building more than once.
3. Child(ren) left unattended off the program's premises.
4. Child(ren) left unattended during a swimming activity.
5. Child(ren) left unattended in a vehicle.
6. Child(ren) left unattended inside the building and no adults were present in the building.
7. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 2 child care staff member(s) for 21 children was determined to have occurred for the SA, pre-K and toddler group when the situation in number(s) 1, 2 & 7below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Group Size
Code: The program may combine all age groups when there are twelve or fewer children in the center.

Finding: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12 children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 1- child was listed on the attendance in the main joint room, however was in another room, not accounted for below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
