Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-13-25 Medication Requirements
Code: The program staff is required to administer the correct dosage of the medication.

Findings: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 3 below:
1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child. Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-13-16 Disaster Plan
Code: The program is required to have a completed written disaster plan.

Findings: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number 18 below:
Procedures:
1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
4. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
5. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.
6. Outbreaks, epidemics or other infectious disease emergencies
7. Loss of power, water, or heat
8. Other threatening situations that may pose a health or safety hazard to the children in the program
Details:
9. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent
10. Assisting infants and children with special needs and/or health conditions
11. Emergency contact information for parents and the program
12. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
13. Procedures for communicating with parents during loss of communications, no phone or internet service available

14. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
15. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
16. Making the plan available to all child care staff members and employees
17. Training of staff or reassignment of staff duties as appropriate
18. Updating the plan on a yearly basis
19. Contact with local emergency management officials

Add the missing information to the disaster plan. Submit the program's corrective action plan, which includes the missing information, to the Department to verify compliance with the requirements of this rule.
