# Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

**Domain: 00 License & Approvals**

Rule: 5101:2-12-04 Building Department Inspection
Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 7 below:

1. The [ ] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [ ] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.
6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.
7. Care was provided to 8 children less than two and one-half years of age. This violated the program's building code limitation in that, the Monkey's and Polar Bear classrooms are 2 and One-Half years of age and above.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2024

**Domain: 06 Program Information**

Rule: 5101:2-12-14 Transportation - Vehicle Requirements
Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number 1 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately. (The program was not using a Multi-function school-activity bus.)
2. The vehicle was not inspected.
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.

4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/12/2024

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-20 Cribs
Code: The program staff is required to place infants on their back to sleep unless an alternate method is indicated on a completed JFS 01235 "Sleep Position Waiver Statement For Child Care".

Finding: During the inspection, it was determined that infants younger than twelve months old were placed in a position other than on their backs to sleep. The current version of the prescribed JFS 01235 "Sleep Position Waiver Statement For Child Care" form which documents written permission for an alternative method signed by the child's physician, was not on file, as required by this rule. Discontinue this practice immediately until this waiver has been secured. Provide staff training. Submit the program's corrective action plan, which includes a copy of the prescribed form signed by both the child's physician and the parent, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 1, 2, 3 and 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

## Low Risk Non-Compliances

**Domain: 00 License & Approvals**

Rule: 5101:2-12-03 Inspection Requirements
Code: The program staff is required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that a staff medical was submitted that could not be verified by the physician. The rule requires the program to provide accurate and truthful information to the Department. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2024

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 4 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2024

**Domain: 03 Postings & Equipment**

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan
Code: The program is required to post and implement the JFS 01242 "Medical, Dental, and General Emergency Plan" when necessary.

Finding: During the inspection, it was determined the requirements for the JFS 01242 “Medical, Dental, and General Emergency Plan for Child Care” were not followed as noted in number 7 below:

1. The plan was not posted in each classroom.
2. The plan was not posted in other spaces used by children.
3. The name, address and telephone number of the program were not complete.
4. The location of first aid kit, fire extinguishers and fire alarm system, fire alarm pull stations and electrical circuit box were not complete.
5. The telephone number for emergency squad, fire department, hospital, poison control program, public children services agency, local health department, local emergency management agency, and police department were not complete.
6. Location of children’s records was not complete.
7. Emergency information including any medications or supplies needed in the event of an evacuation was not complete.
8. The current version of the prescribed form was not used.
9. The plan was not implemented when necessary in that [ ].

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2024

**Domain: 04 Indoor/Outdoor Space**

Rule: 5101:2-12-11 Outdoor Play Fall Zones
Code: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements as noted in number 1 below:

1. The fall surface material had not been properly distributed or raked as needed to retain proper depth under and around equipment. (Large playground under swings)
2. A fall zone hazard was present, in that, the [ ] posed a risk of injury if a child were to fall from a piece of equipment.
3. The fall zone was less than 3 feet from the fence for equipment used by children 23 months of age and younger.
4. The fall zone was less than 6 feet from the fence for equipment used by children 24 months of age and older.

5. There was not a fall zone of 3 feet in all directions from the perimeter of the equipment used by children 23 months of age and younger.
6. There was not a fall zone of 6 feet in all directions from the perimeter of the equipment used by children 24 months of age and older.
7. The fall zone was less than 4 1/2 feet from each piece of applicable equipment used by children 23 months of age and younger.
8. The fall zone was less than 9 feet from each piece of applicable equipment used by children 24 months of age and older.
9. Other [ ].

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements
Code: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that the infant and toddler aged groups were served baby carrots and apple slices, which posed a choking hazard and was not appropriate for their age. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 06 Program Information**

Rule: 5101:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to have staff trained in CPR, First Aid, and Communicable Diseases on all trips.

Finding: During the inspection, it was determined that a person trained in cardiopulmonary resuscitation (CPR), first aid and management of communicable disease, had not been present for number 2 and 3 below as required by the rule:

1. In the vehicle for routine trips;

2. In the vehicle for field trips;
3. At the destination on all field trips.

Secure current training for the area needed or restructure the staff who are currently trained on the vehicle during routine trips and field trips. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2024

**Domain: 06 Program Information**

Rule: 5101:2-12-14 Transportation and Field Trip Procedures
Code: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met as listed in numbers 2, 3, 4, 5, 7, 8 and 11 below:

1. Written parental permission was not secured for field trips and/or routine trips off the premises.
2. The written permission was missing the child's name.
3. The written permission was missing the date(s) of the trip(s) (field trips only).
4. The written permission was missing the destination(s) of the trip(s).
5. The written permission was missing the departure and return time(s) of the trip(s) (field trips only).
6. The written permission was missing the signature of the parent.
7. The written permission was missing the date on which the permission was signed.
8. The written permission was missing a statement notifying parents how their child will be transported.
9. Permission forms for routine trips were not being updated annually.
10. Written parental permission forms for field trips and/or routine trips were not being maintained on file for at least one year from the date of the trip.
11. Other: Permission must be obtained for each individual field trip.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing breast milk and formula for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-23 Diapering and Toilet Training
Code: The program is required to launder diapers according to manufacturer's guidelines.

Finding: During the inspection, it was determined that the program was not storing or laundering soiled diapers or clothing according to the rule, in that the program did not meet the condition indicated in number 6 below.

1. Store for no longer than one day
2. Store in an individual covered container or plastic bag away from children's belongings
3. Kept out of reach of children
4. Store soiled diapers and diapering washcloths laundered by the center in a covered container with sanitizing solution
5. Hold soiled diapers to be commercially laundered for no more than seven days
6. Store soiled disposable diapers in a plastic-lined covered container not easily accessible to children
7. Discard disposable diapers daily or more frequently as needed to eliminate odor
8. Launder diapers according to manufacturer's guidelines
9. Other [ ]

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-20 Cribs
Code: The program is required to provide cribs with mattresses in good condition and sheets that are not too large or too small for the crib.

Finding: During the inspection, it was determined that sheets, mattresses and/or mattress covers did not meet the rule requirement as noted in number 2 below:

1. At least one crib did not have a sheet.
2. At least one sheet was too large.
3. At least one sheet was too small.
4. At least one sheet was torn.
5. The mattress was not at least one and one-half inches thick.
6. The mattress was not firm.
7. There was space between the mattress and the sides and end panels of the crib which exceeded one and one-half inches.
8. The mattress cover was not waterproof.
9. The mattress cover was torn.
10. Other: [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
