Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5180:2-12-03 Inspection Requirements
Code: The program administrator and owner are required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that a physical for a staff member had been falsified. The rule requires the program to provide accurate and truthful information to the Department.
Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective action plan, which includes a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/08/2026

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5180:2-12-04 Fire Inspection
Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

Ohio Department of Children & Youth

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.
