Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Allegation: It was alleged that child care staff members leave their classrooms unattended to answer the door.

Determination: Substantiated

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Corrective Action Plan Due: 05/15/2025

Domain:07 Diapering & Infant Care

Rule: 5180:2-12-23 Infant Daily Care
Code: The program is required to provide infant daily care that meets the requirements of the rule.

Allegation: It was alleged that infants and toddlers were sitting in feeding table seats for longer than developmentally appropriate.

Determination: Substantiated

Findings: During the inspection, it was determined that the program's infant daily care did not meet the requirements of this rule as noted in number(s) 4 below:

1. Infants could not safely and comfortably sit, crawl, toddle, or walk and play according to the infant's stage of development.
2. Infants were not removed from the crib, swing, infant seat, exercise seat or other equipment throughout the day for individual attention.
3. Each non-crawling infant was not provided the opportunity for tummy time, outside of their crib, each day.
