Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, required staff/child ratios were not maintained for [the same group/different groups] on multiple occasions, as noted below:

The ratio determined for the Infant group was 2 Child Care Staff Member(s) for 13 children. Additionally, a ratio of 2 Child Care Staff Member(s) for 25 children was determined for the PS/SA group.

Additional staff members must be hired or current Child Care Staff Members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration
Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child as noted in number(s) 1 below:

1. The JFS 01217 "Request for Administration of Medication for Child Care" was not on file for a medication, medical food, or prescription topical product that was not required by a JFS 1236 ""Child Medical/Physical Care Plan for Child Care"".
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [ ], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now

in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group. (Toddler)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/25/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size
Code: The program is required to maintain the appropriate group size for each group of children served.

Finding: During the inspection, group size limitations were not maintained for the Infant group of 2 as it was determined there were 13 children grouped together. The group size shall not exceed twice the maximum

number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/25/2024

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size
Code: The program may combine all age groups when there are twelve or fewer children in the center.

Finding: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12 children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size
Code: The program must ensure 35 square feet per child is maintained when combining multiple groups of children in a shared undivided space.

Finding: During the inspection, it was determined multiple groups of children over two and one half years were combined in a shared, undivided space and the group exceeded the 35 square feet per child limitation specific to the space. There were School Age and Preschool children in attendance at one time and the program's usable floor space allowed for 21 children in this space. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that at least one area of the program or at least one piece of equipment had chipping or peeling paint. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule. (Dry Wall Crumbling in Infant Room.)
