Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program is required to notify their local public children services agency of any suspicion of abuse or neglect against a child.

Allegation: The program does not notify their local public children services agency of any suspicion of abuse or neglect against a child.

Determination: Substantiated

Findings: During the inspection, it was determined that the program failed to immediately notify their local public children services agency of suspicions that a child had been abused or neglected. Provide staff training. Submit the program's corrective action plan, which includes a description of action taken to assure that all staff are knowledgeable of their responsibilities, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule. (Owner/Administrator admitted in interview that she did not notify or report to the local public children service agency.)

Risk Level: Serious

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs
Code: The program staff is required to remove any items listed in rule that are a potential suffocation risk from cribs.

Findings: During the inspection, it was determined that a child had been placed in a crib with an object that created a potential strangulation or suffocation risk, as indicated in number(s) 4 below:

1. Bib
2. Pacifier clip/ribbon
3. Teething jewelry
4. Blanket for infant under twelve months old
5. Pillow
6. Boppie
7. Bumper pad
8. Clothing stored in the crib
9. Diaper bag
10. Object or toy strung over the crib in which a child can pull himself up
11. Stuffed animal that is large/soft enough to conform to the shape of the child's face
12. Other [ ]

The rule prohibits any item which obstructs child-care staff's visibility or poses a risk of strangulation or suffocation from being placed on or in a crib. Remove the item(s) immediately. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Findings: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: (Preschool restroom door not open enough for CCSM to be within both sight and hearing of children in restroom.)

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:05 Health & Safety

Rule: 5101:2-12-16 Incident/Injury Reporting
Code: The program is required to submit notification of a serious incident in OCLQS by the next business day.

Findings: During the inspection, it was determined that a Serious Incident was not reported in the Ohio Child Licensing and Quality System (OCLQS), as required, by the program administrator or designee for an incident(s) as listed in number(s) 3 below:

1. An incident, injury or illness that required professional medical consultation or treatment.
2. An unusual or unexpected incident which jeopardizes the safety of a child, child care staff member or employee of the program.
3. An incident defined as a serious risk non-compliance in appendix A to rule 5101:2-12-03 of the Administrative Code.
4. The program did not submit the report in OCLQS by the next business day as required by rule.

Submit the program's corrective action plan, which includes a statement that the program administrator or designee has completed the Serious Incident Report in OCLQS, to the Department to verify compliance with the requirements of this rule.
