Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection
Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/31/2024

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Fall Zones
Code: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number(s) 4 below:

1. No fall surface
2. Adequate fall surface to soften the impact of a fall
3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone
4. Other: there were large portions of concrete exposed on the base of the web climber where the piece of equipment had been anchored to the ground.

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 1 and 4 below:

1. The request for a background check for child care was not submitted in the OPR. (for a rehired employee)
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Finding: In review of 25% of the children's records, it was determined that completed medical statements were not on file, as required, for children listed on the JFS Children's Record Review For Child Care as indicated in number(s) 1 and 9 below:

1. No medical was on file for at least one child
2. Medical(s) on file was not updated every 13 months
3. Medical(s) were missing child's name and date of birth
4. Medical(s) were missing the date of the medical examination
5. The date of the exam was more than 13 months prior to the date the form was signed.
6. Medical(s) were missing a statement that the child has been examined and is in suitable condition for participation in group care
7. Medical(s) were missing the signature, business address and telephone number of the physician, physician's assistant(PA), advance practice nurse (APN) or certified nurse practitioner (CNP) who examined the child
8. Medical(s) were missing a record of immunizations the child has had specifying month, day and year
9. Medical(s) were missing a statement from the physician, PA, APN, or CNP that the child has been immunized or is in the process of being immunized against the diseases required by division 5104.014 of the Revised Code and found in appendix A to this rule
10. Medical(s) were missing a statement from the child’s parent or guardian that he or she has declined to have the child immunized against the disease for reasons of conscience, including religious convictions

Rule: 5101:2-12-15 Medical/Physical Care Plans
Code: The program is required to maintain a complete JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file for any child having a health condition.

Finding: In review of the children's records, it was determined that the JFS 01236 "Child Medical/Physical Care Plan for Child Care" did not meet the requirements of the rule as noted in number(s) 1 below:

1. The JFS 01236 had not been updated as needed and at least annually.
2. A separate JFS 01236 had not been used for each condition.
3. The program used an old version of the JFS 01236.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
