Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Department of Children & Youth

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. The request for a background check for child care was not submitted in the OPR.

2. The fingerprints were not submitted electronically according to the process established by BCI.

3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.

4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-15 Medical/Physical Care Plans

Requirement: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in numbers 33 & 39 below:

1. No plan was on file.

12. Dosage of medication/medical food to be administered was missing or not attached.

13. Time for medication/medical food to be administered was missing or not attached.

14. Expiration date for medication/medical food was missing or not attached.

15. Symptoms that require staff to administer medication/medical food were missing or not attached.

16. Specific instructions to administer the medication/medical food were missing or not attached.

17. Actions to be taken if the symptoms do not subside were missing or not attached.

18. Physician's signature was missing or not attached.

19. The date of the physician's signature was missing or not attached.

(Page 3)

20. Child's name was missing.

21. Instructions regarding emergency evacuation, if applicable, were missing.

22. Signature of parent granting permission to implement the plan and verifying training was missing.

23. Date of parent signature was missing.

24. Certified Professional Trainer information was missing.

25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.

26. Date of trainer signature was missing.

27. Printed name(s)of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

29. Date of staff signature was missing.

30. Administrator/Provider signature was missing

31. Date of administrator/Provider was missing.

(Page 4)

32. Child's name was missing.

33. Name of medication or medical food was missing.

34. Date the medication/medical food was administered was missing.

35. Time medication/medical food was administered was missing.

36. Dosage of medication/medical food that was administered was missing.

37. Signature of person administering medication/medical food was missing.

38. The plan was not followed or implemented.

39. The plan was not able to be implemented due to conflicting information.

40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.

41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.

42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.

43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.

44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 1/15/26. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-15 Medical/Physical Care Plans

Requirement: The program is required to maintain a complete JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file for any child having a health condition.

Finding: In review of the children's records, it was determined that the JFS 01236 "Child Medical/Physical Care Plan for Child Care" did not meet the requirements of the rule as noted in number 1 below:

1. The JFS 01236 had not been updated as needed and at least annually.

2. A separate JFS 01236 had not been used for each condition.

3. The program used an old version of the JFS 01236.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/25/2026

Domain: 09 Children's Files

Rule: 5180:2-12-25 Medication Administration

Requirement: The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

Finding: During the inspection, it was determined that medication, medical foods and/or topical products did not meet the requirement(s) for administering medication, medical foods, and/or medical products as noted in numbers 2 & 3below:

1. The medication, medical food, or topical product was no longer needed and had not been removed from the program.

2. The medication, medical food, or topical product had expired and had not been removed from the program.

3. The prescription label had expired.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
