Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection
Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [ ] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements
Code: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that the infant, toddler, and preschool groups were served large pieces of chicken and fruit which posed a choking hazard. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements
Code: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements as listed in number(s) 1 below:

1. Verification of completion of a high school education was not on file.
2. Documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.
3. Documentation was not on file for a high school junior or senior who is also enrolled in a college credit program in child development or early childhood education.
4. Documentation was not on file for a high school junior or senior who is enrolled in a Child Development Associate (CDA) training program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-16 Written Disaster Plan
Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number(s) 7, 8, and 12 below:

Procedures:
1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
6. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.
7. Outbreaks, epidemics or other infectious disease emergencies
8. Loss of power, water, or heat
9. Other threatening situations that may pose a health or safety hazard to the children in the program

Details:
10. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent
11. A designated safe site where staff and children can safely remain when evacuated.
12. Assisting infants, toddlers and children with special needs and/or health conditions
13. Emergency contact information for parents and the program
14. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
15. Procedures for communicating with parents during loss of communications, no phone or internet service available
16. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
17. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
18. Making the plan available to all child care staff members and employees
19. Training of staff or reassignment of staff duties as appropriate
20. Updating the plan on a yearly basis
21. Contact with local emergency management officials

Make the necessary revisions to the disaster plan. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
