Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03 and 5180:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to have a second employee present, and used based on the qualifications they meet, when seven or more children are present.

Finding: During the inspection, it was determined that the program did not meet the rule requirement as noted in number(s) 1 below:

1. The program did not have a second employee or Child Care Staff Member present when required;

Ohio Department of Children & Youth

2. The program was using a second Child Care Staff Member who was not able to meet this criteria as defined in the rule.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/18/2025

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 22 children was determined to have occurred for the School age group when the situation in number(s) 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 1 below:

1. Child(ren) were left unattended once. (School Age children were allowed to stay in gym while CCSM stood by the entrance door to school to let children in. Two CCSM's were late arriving to work.)
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5180:2-12-25 Medication Administration
Code: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, inhalers, was within the reach of children in the School Age room. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule. (Medication is stored in First aid book bag and it was sitting on the stage in the gym. Child sitting next to it grabbed it as the CCSM was getting ready to pick it up.)

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5180:2-12-03 Inspection Requirements
Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 11/12/24. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/18/2025

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 03 Postings & Equipment

Rule: 5180:2-12-17 Materials and Equipment
Code: The program is required to provide equipment appropriate for the children in the program in sufficient quantities that all children can be actively involved. Play materials must be accessible to the children and arranged in an orderly manner.

Finding: During the inspection, it was determined that equipment, materials and furnishings provided for indoor and outdoor play did not meet the requirement of the rule as noted in number(s) 3 below.

1. Equipment and materials were not varied and adequate to meet the developmental needs of the children.
2. Equipment and materials were not provided in a sufficient quantity that each child can be actively involved in an activity.
3. Play materials were not readily accessible to the children in the School Age classroom. (Child asked CCSM if they could get out toys and they were told no.)
4. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [ ] classroom.
5. Durable, child-sized or safely adapted furniture was not provided for children in the [ ] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5180:2-12-17 Materials and Equipment
Code: The program is required to have an area for children to store their belongings.

Finding: During the inspection, it was determined that the program did not have designated storage areas for children's personal belongings. The rule requires that an area be designated where children can individually store their personal belongings. This area shall not block walkways or evacuation routes. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5180:2-12-16 Emergency Drills
Code: The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

Finding: During the inspection, it was determined that the required drills were not completed for item number(s) 3 below:

1. Monthly fire drills.
2. Monthly weather emergency drills (March through September).
3. Emergency/lockdown drills in each quarter of the calendar year. (2nd and 3rd not completed.)

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-16 First Aid/Standard Precautions
Code: The program is required to have a first aid kit onsite.

Finding: During the inspection, it was determined first aid kit(s) at the program had missing, or expired, items that are required by appendix A of this rule to be contained in a first aid kit, as noted in number(s) 5,7,9 below:

1. The program did not have a first aid kit [onsite, on the vehicle, on a field trip].
2. One roll of hypoallergenic first-aid tape.
3. Individually wrapped sterile gauze squares in assorted sizes.
4. Sterile adhesive bandages in assorted sizes.
5. Tweezers.
6. Gauze rolled bandage.
7. Triangular bandage.
8. Rounded end scissors.
9. Tooth preservation system or fresh chilled liquid milk in which to transport a lost permanent tooth, including a written reference indicating location of the refrigerator/freezer where milk is stored if a tooth preservation system is not part of the first aid kit (for programs serving school age children only).
10. A working digital thermometer.
11. Disposable non-latex gloves.
12. A working flashlight.
13. An instant cold pack that has not been activated or ice, including a written reference indicating location of the refrigerator/freezer where the ice is stored if an instant cold pack is not part of the first aid kit.
14. Sealable leak-proof plastic bags in assorted sizes or double bagged plastic bags that can be securely tied for materials soiled with blood or bodily fluids.

Ohio Department of Children & Youth

15. Pocket mask or face shield, appropriate for all ages of children in care, for cardiopulmonary resuscitation (CPR) administration.
16. Soap or waterless sanitizer (field trip or transporting away from the program only).
17. Bottled water (field trip or transporting away from the program only).

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-07 Administrator Qualifications
Code: The program administrator is required to complete the rules course reivew within the defined time period.

Finding: During the inspection, it was determined that the administrator had not completed the required rules review course provided by this Department for program administrators within the time period defined in this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements
Code: The program is required to maintain documentation onsite at the program for each employee.

Finding: During the inspection, it was determined that required staff record documentation was not on file at the program, and was not verified in the OPR, for the employee(s) listed on the Employee Record Chart. The documentation was able to be verified as noted in number(s) 1,2 below:

1. The information had been verified at the previous inspection.
2. The information was provided from another location during the inspection.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
