Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 20 children was determined to have occurred for the School Age group when the situation in number 6 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number 6 below:

1. The breakfast served did not include foods from three of the four food groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-20 Cots and Napping
Code: The program is required to provide enough cots or mats for each child in attendance to be assigned their individual cot/mat. Cots and mats must be firm, resilient, and in good condition.

Finding: During the inspection, it was determined that cots or mats did not meet the requirements as noted in number 2 below:

1. The program did not have enough individually assigned cots and/or mats for each child.
2. A child was sleeping on a couch or chair.
3. Frames were bent/broken.
4. Covers were torn.
5. Cots were missing bolts.
6. Cots were sagging.
7. Legs on the cots were broken.
8. Cots did not stand at least 3 inches but no more than 18 inches off the floor.

9. Cots were not at least 36 inches in length and as long as the child is tall.
10. Mats were not at least 1 inch thick and as wide and long as the child assigned.
11. Other [ ].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in numbers 3, 4, 5, and 6 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-16 Written Disaster Plan
Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in number 11 below:

Procedures:
1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
6. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.
7. Outbreaks, epidemics or other infectious disease emergencies
8. Loss of power, water, or heat
9. Other threatening situations that may pose a health or safety hazard to the children in the program

Details:
10. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent
11. A designated safe site where staff and children can safely remain when evacuated.
12. Assisting infants, toddlers and children with special needs and/or health conditions
13. Emergency contact information for parents and the program
14. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
15. Procedures for communicating with parents during loss of communications, no phone or internet service available
16. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
17. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
18. Making the plan available to all child care staff members and employees
19. Training of staff or reassignment of staff duties as appropriate
20. Updating the plan on a yearly basis
21. Contact with local emergency management officials

Make the necessary revisions to the disaster plan. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
