Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Fire Inspection

Requirement: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection.

The following was observed: an updated fire inspection was not completed.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were

trained to perform the procedure were missing; date of staff signature was missing; child's name was missing; name of medication or medical food was missing

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: a long extension cord was hanging loose from the wall creating strangulation hazard

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/25/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: the child abuse and neglect recognition and prevention training was expired; the first aid training was expired; the CPR training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to train child care staff members and employees on the EPRP annually and keep written documentation of the training on-site.

Finding: During the inspection, it was determined the program's emergency preparenedness and response plan (EPRP) did not meet the requirement for training child care staff members and employees on the plan annually.

The following was observed: written documentation of the training was not kept on-site.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule

Corrective Action Plan Due: 11/25/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: outbreaks, epidemics, or other infectious disease emergencies; loss of power, water, or heat; shelter-in-place or evacuation procedures, including how the program will care for and account for children until they can be reunited with a parent; a designated safe site where staff and children can safely remain when evacuated; procedures for assisting infants, toddlers, and children with special needs and/or health conditions; a designated safe site where staff and children can safely relocate and remain evacuated; procedures for notifying and communicating with parents regarding the location of children if evacuated; procedures for communicating with parents during loss of communications when no phone or internet service is available; the location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place; procedures for what to do if a disaster occurs during the transport of children or when on a field trip or routine trip; making the plan available to all child care staff members and employees; training of staff or reassignment of staff duties as appropriate; updating the plan on a yearly basis

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
