Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program administrator and owner are required to provide true and accurate information.

Finding: During the inspection, it was determined that the program provided false information, in that a background check was unable to be verified. The rule requires the program to provide accurate and truthful information to the Department.

Rule 5180:2-12-03 requires the program to notify parents when a serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination. Submit the program's corrective

action plan, which includes a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/07/2026

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed: Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to obtain parent permission and retain current documentation to administer medications. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child.

The following was observed: The time administered was missing from the record of medication(s) or medical food(s)

administered. Staff member's signature who administered the medication was missing from the record of medication(s) or medical food(s) administered.

Submit the program's corrective action plan, which includes the completed written parent permission for each child needed, record of medication administration, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
