Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Equipment

Requirement: The program is required to anchor equipment to the ground as required, to close "S" hooks to prevent the chain from slipping off and prevent strangulation and provide equipment with openings that will not pose a safety risk.

Finding: During the inspection, it was determined that equipment on the outdoor play space posed an imminent risk of harm to a child.

The following was observed: the climber had an opening that was greater than three and one-half inches, but less than nine inches. Equipment openings must be less than 3 1/2 inches or more than 9 inches to avoid the risk of entrapment.

Discontinue the use of this equipment until it has been removed, repaired or replaced. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/21/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to have a completed DCY 01236 or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed: signs, symptoms or situations that require staff to take action were missing; training instructions for procedures for staff to follow were missing or incomplete; signature of parent granting permission to implement the plan and verifying training was missing; date of parent signature was missing; printed name(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; signature(s) of child care staff member(s) who received instructions or were trained to perform the procedure were missing; date of staff signature was missing; administrator/Provider signature was missing; date of Administrator/Provider signature was missing; medication listed in the procedures was not onsite and alternate instructions for this situation were not included on the plan

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good condition and/or being used inappropriately.

The following was observed: the gate was locked

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/21/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-10 Health Training Requirements

Requirement: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training.

The following was observed: the first aid training was expired; the CPR training was expired

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/21/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to use a health care plan form that is equivalent to content to the DCY 01236

Finding: In review of the children's records, it was determined that the DCY 01236 “Health Care Plan Documentation & Permission to Administer Medication” or equivalent form did not meet the requirements of the rule.

The following was observed: a separate form had not been used for each condition

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/21/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program’s emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: [FTO-C78]

Make the necessary revisions to the EPRP. Submit the program’s corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
