Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Fall Zone

Requirement: The program is required to have adequate shock-absorbing surface under and around playground equipment.

Finding: During the inspection, it was determined that the playground did not have adequate shock-absorbing surface under and around playground equipment.

Any equipment designed for climbing, swinging, bouncing, or sliding should not be placed over, or immediately next to, hard surfaces such as asphalt, concrete, dirt, grass, or flooring covered by carpet or gym mats not intended for use as as surfacing for climbing equipment. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the shock-absorbing surface added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/26/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly.

The following was observed: febreze spray on top of cabinet by program bathroom

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/26/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from items or conditions which may threaten their health, safety, or well-being.

The following was observed: wires attached to objects that could fall if pulled, but nit injure were accessible

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-13-08 Child Care Staff Requirements

Requirement: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Findings: During the inspection, it was determined the employee's orientation was not complete as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-13-15 Child Enrollment Records

Requirement: The program is required to have a completed DCY 01234 "Child Enrollment and Health Information for Child Care" or equivalent on file on the premises for each child.

Findings: During the inspection, it was determined the child's enrollment form was not complete or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
