Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to protect children from any items and conditions which threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined the program did not protect children from an unsafe item, condition or equipment.

The following was observed: there was a hammer on top of the water heater tank and a screwdriver on provider bedside table.

Any hazardous equipment must be removed, replaced, or repaired and any hazardous condition must be corrected and must be made inaccessible to children. Submit the program's corrective action plan, which includes a statement that the item or condition has been removed, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Domain: **06 Program Information**

Rule: 5180:2-13-14 Vehicle Requirements

Requirement: The program is required to follow regulations and/or safety precautions when transporting children.

Finding: During the inspection, it was determined the program did not follow regulations and/or safety precautions when children were transported.

The following was observed: A child who was required to be in a booster seat according to rule was not in a booster seat while being transported by the provider. All children under age 8 who are not at least 4 feet 9 inches tall are required to be in a booster seat.

Provide staff training. Submit the program's corrective action plan, which includes assurance that these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Health Conditions

Requirement: The program is required to have a completed DCY 01236 "health Care Plan Documentation & Permission to Administer Medication" or equivalent form on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the form present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the form.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children's Records Review, with a condition that requires a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form.

The following was observed:

Page 1 of the form incomplete for two children in care or the attachments mentioned were not attached to the forms.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed DCY 01236 or equivalent form, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 License Visible

Requirement: The program is required to have their license in a visible area.

Finding: During the inspection, it was determined the provider's license was not in a location visible to parents, as required. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-13-18 Attendance

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed:

- Attendance not maintained on file for one year

-Attendance record missing child's date of birth and child's weekly schedule

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post the fire and weather alert plan with a diagram.

Finding: During the inspection, it was determined the posted weather and fire alert plan did not meet the requirements in rule.

The following was observed: Exit diagrams were not posted on each level of the home for the corresponding level.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/24/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program staff is required to protect the children from hazardous conditions in the outdoor play area.

Finding: During the inspection, it was determined that hazardous conditions existed in the outdoor play area.

The following was observed: Poison Ivy in backyard by barn area.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/24/2026

Domain: **06 Program Information**

Rule: 5180:2-13-14 Requirements for Field and Routine Trips

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met.

The following was observed: Routine trip forms were incomplete and did not include all destinations/mode of transportation missing

Submit the program’s corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/24/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Child Enrollment Records

Requirement: The program is required to have a completed DCY 01234 "Child Enrollment and Health Information for Child Care" or equivalent on file on the premises for each child.

Finding: In review of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 “Child Enrollment and Health Information For Child Care” or equivalent as required.

The following was observed as missing:

- Parent information incomplete

- Child information incomplete

- Parent signature/date missing
