Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children.

The following was observed: under the sink in the kitchen there was bleach, toilet bowl cleaner, and other cleaning agents accessible to children. In the bathroom, there were aerosol air fresheners and Pinesol accessible to children.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Fall Zone

Requirement: The program is required to have adequate shock-absorbing surface under and around playground equipment.

Finding: During the inspection, it was determined that the playground did not have adequate shock-absorbing surface under and around playground equipment. The swing set with slide is placed directly over grass.

Any equipment designed for climbing, swinging, bouncing, or sliding should not be placed over, or immediately next to, hard surfaces such as asphalt, concrete, dirt, grass, or flooring covered by carpet or gym mats not intended for use as as surfacing for climbing equipment. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the shock-absorbing surface added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-20 Crib and Playpen Requirements

Requirement: The program staff is required to place infants in a crib or playpen to sleep unless a JFS 01235 "Sleep Position Waiver Statement for Child Care" is on file.

Finding: During the inspection, it was determined an infant slept in equipment other than their crib or playpen and did not have written permission from a physician on file. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 Information in Ohio statewide licensing system

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: hours of operation; transportation and field trips were listed in the Services Offered section, but the provider does not offer these..

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly.

The following was observed: in the living room, hand sanitizer was accessible to infants. In the living room, rubbing alcohol was accessible to children. Throughout the daycare space, plug-in air fresheners were in use.

Provide staff training. Submit the program’s corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good repair, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good repair and/or being used inappropriately.

The following was observed: the fencing was broken along the back wall and loose on the side.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing: • Procedures for mental or dental emergencies, including emergency transportation.

• Procedures for emergency outdoor and indoor lockdown due to threats of violence, including active shooter, bioterrorism, or terrorism.

• Procedures for outbreaks, epidemics, or other infectious disease emergencies.

• Other threatening situations that may pose a health or safety hazard to the children in the program.

• Shelter-in-place or evacuation procedures, including how the program will care for and account for children until they can be reunited with a parent.

• A designated safe site where staff and children can safely remain when evacuated.- address needed

• Procedures for assisting infants, toddlers, and children with special needs and/or

health conditions.- must include toddlers

• Emergency contact information for parents and the program.

• Procedures for communicating with parents during loss of communications when

no phone or internet service is available.

• Procedures for what to do if a disaster occurs during the transport of children or

when on a field trip or routine trip.

• Making the plan available to all child care staff members and employees.

• Training of staff or reassignment of staff duties as appropriate.

• Updating the plan on a yearly basis.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-22 Meals and Snacks

Requirement: The program is required to post the current menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement.

The following was observed: the menu was not dated.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-23 Infant Bottle and Food Preparation

Requirement: The program is required to retain and update infant feeding instructions.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review form were not updated, as required by this rule. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/04/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to have all bottles labeled.

Finding: During the inspection, it was determined that bottles for a particular infant were not labeled with the child's name and date of preparation. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/04/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-10 Health Training

Requirement: The program is required to meet the health training requirements.

Finding: In review of records, it was determined the provider did not have current valid documentation for training(s) as outlined in the rule.

The following was observed: The provider did not complete the in-person portion of the CPR training.

Correct the violation and submit the documentation of current certification with the program's corrective action plan to verify compliance with the requirement of the rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 03 Postings & Equipment

Rule: 5180:2-13-16 Medical, Dental, and General Emergency Plan

Requirement: The program is required to post emergency phone numbers.

Findings: During the inspection, it was determined that emergency numbers were not posted in all spaces used by children as required. Technical assistance was offered to support compliance. As discussed, please post the following numbers for your local area: emergency squad, hospital, police department, fire department, poison control, Public Children's Services (PCSA), health department, and the Emergency Management Agency (EMA). A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Findings: During the inspection, it was determined the program's policies and procedures handbook did not contain all items as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Please add the following information:

•email address

• Policy on changes to hours of operation: closing due to weather, school delays or closings, and

any other factors.

•Staff/child ratios and group size.

•Opportunities for parent involvement in activities.

•Opportunities for parents to meet with the provider regarding their child. Problem or

issue resolution for parents or employees to follow when needing assistance in

resolving problems related to the family child care home.

•In your section regarding payment policies, add your full, part time, and hourly rates for each age group.

•Programs shall have a policy in place describing supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Provider Policies and Procedures

•A written security plan is provided that ensures that access to the home is limited to parents and guardians of children in care and authorized persons.

•Attendance including procedures for the program's absent day policy, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.

•Suspension, expulsion, and disenrollment: include that if a child is displaying behavioral problems, a written behavioral plan must be created with the parents. If there is no improvement, then the child may be expelled from the program. If a child is expelled from the program due to behavioral issues, a serious incident report needs to be filed on OSLS.

•Ensure compliance with the Americans and Disabilities (ADA) including administering medication to children with disabilities and administering care procedures for children with disabilities.

•Administration of medication and topical products policy: clarify that your program does not administer medication under any circumstance.

•Usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone, if applicable.

•Water activities/swimming, if applicable.

•Policy to prohibit staff members and employees from exposing children to inappropriate language, media, or behavior.

•Use of a substitute child care staff member or child care staff member pursuant to 5180:2-13-08 of the Administrative Code for sick days, vacations, or other time off.
