Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-13-19 Supervision
Code: The program staff is required to notify the local public children's service agency of any suspicion that a child had been abused or neglected.

Findings: During the inspection, it was determined that child care staff failed to immediately notify their local Public Children's Services Agency of suspicions that a child in care had been abused or neglected. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Rule 5180:2-13-03 requires the program to notify parents when serious risk non-compliance is cited. The notification must inform parents of the serious risk non-compliance and include the Department of Children and Youth website and location of further information regarding the determination.

Submit the program's corrective action plan, which includes a statement that training was provided and a copy of the written parent notification, to the Department to verify compliance with the requirements of this rule.
