Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5180:2-13-11 Outdoor Space
Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [ ].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Department of Children & Youth

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5180:2-13-18 Attendance
Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number(s) 4, 6 &7 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/24/2025

Domain: 01 Ratio & Supervision

Rule: 5180:2-13-18 Attendance
Code: The program is required to have a tracking method for children.

Findings: During the inspection, it was determined that the method for tracking the children in the group did not meet the requirements in rule as noted in the number 5 below:

1. There was no method in place.
2. The method did not include each child's name.
3. The method did not include each child's birthdate.

4. The tracking method did not remain with the group at all times.
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-12 Safe Environment
Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Findings: Children in care shall be protected from any items and conditions which threaten their health, safety, and well being. During the inspection, it was determined that children were not protected from the following item(s) or condition(s) which may threaten their health, safety, or well being as noted in the following number 5 below:

1. Surge protectors/outlets did not have childproof receptacle covers.
2. Open pull cords that are not closed loop.
3. Toys or other items small enough to be swallowed were present in the space where infants and/or toddlers were in care.
4. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
5. Stacked chairs.
6. Telephone cords.
7. Employee(s) purse(s).
8. Diaper bags.
9. Television not securely anchored.
10. Small or lightweight pieces of shelving units are not securely anchored to the wall.
11. Staff member stepped over a barrier/gate while holding a child.
12. Chipping or peeling paint.
13. An area rug did not have a nonskid backing.
14. An area rug presented a tripping hazard.
15. A floor surface was unsafe in that [ ].
16. No platform was provided for the sink or toilet.
17. The platform provided for the sink or toilet was not sturdy.
18. The platform provided for the sink or toilet posed a safety hazard in that [ ].
19. Emergency exits were blocked by the following furniture in that [ ].
20. A mercury thermometer was being used to take a child's temperature.
21. Methods of ventilation used did not provide protection from rodents, insects, or other hazards.
22. Other [ ].

Department of Children & Youth

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-13 Handwashing
Code: The program staff and residents are required to wash their hands at the appropriate times as outlined in rule.

Findings: During the inspection, it was determined the handwashing requirements were not being followed by the provider, program staff, residents, or a child in that the child did not wash their hands upon arrival. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/24/2025

Domain: 08 Staff Files

Rule: 5180:2-13-07 Staff Records
Code: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Findings: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 6 below:
1. The provider had not created or updated their individual profile in the OPR.
2. The provider had not created or updated the program's organizational dashboard in the OPR.
3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.
4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.
5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.
6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.
7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.
8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.
9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.
10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.
