Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access. The potentially hazardous substance or item that posed a risk to children was determined to be accessible to children.

The following was observed in the Kitchen which is accessible to children

• Cleaning agents: Lysol, Fabuloso and Comet.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-20 Crib and Playpen Requirements

Requirement: The program is required to provide the appropriately sized cribs and playpens.

Finding: During the inspection, it was determined that at least one crib or playpen in the home did not meet the standards set forth in the rule and the United States Consumer Product Safety Commission (CPSC) safety standards.

The following was observed:

• There was space between the mattress and the sides and end panels of the crib or playpen which exceeded one and one-half inches.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-02 License Visible

Requirement: The program is required to have their license in a visible area.

Finding: During the inspection, it was determined the provider's license was not in a location visible to parents, as required. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing:

- Procedures for medical or dental emergencies, including emergency transportation.
- Updating the plan on a yearly basis.
- Contact with local emergency management officials.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Domain: **06 Program Information**

Rule: 5180:2-13-14 Requirements for Field and Routine Trips

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a field trip or routine trip were not met.

The following was observed:

- The written permission was missing the destinations of the trips.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-09 Background Checks

Requirement: The program is required to have the applicable DCY 01176 "Program Notification of Background Check Review for Child Care" on file.

Finding: In review of the staff records, it was determined that background check requirements had not been followed, for the individual(s) listed on the Employee Record Chart.

The following was observed:

• The DCY 01176 "Program Notification of Background check Review for Child Care" was not on file at the program, but was on file at the county agency and the individual is eligible.

Submit the program's corrective action plan, which includes a statement that the correct form is now on file, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Child Immunization Records

Requirement: The program is required to have an immunization record on file for each child.

Finding: In review of of the children's records, it was determined that immunization records were not on file, as required.

The following was observed:

• Immunization records were not on file at the program within thirty days of the child's first day of attendance.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
