Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Fall Zone

Requirement: The program is required to have an adequate fall surface on the outdoor playground.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in the following number 1 below:

1. No fall surface under the outdoor slide

2. Adequate fall surface to soften the impact of a fall

3. Other [ ]

Any equipment designed for climbing, swinging, bouncing, or sliding needs a fall zone of protective material resilient under and around the equipment in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-25 Medication Requirements

Requirement: The program staff is required to administer the correct dosage of the medication.

Finding: During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 1 below:

1. Medication had been administered to a child at the center at a different time than directed.

2. Medication was administered to a child for a shorter period of time than directed.

3. The dose administered did not match the dosage required by the manufacturer's directions.

4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.

5. A child was administered the wrong medication provided to the program for that child. Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 05/20/2026
