Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Finding: During the inspection, a potentially hazardous item was stored where children present had access. The potentially hazardous item that posed a risk to children was determined to be accessible to children.

The following was observed: A lawn mower was accessible to children in the play area.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-03 Inspection Requirements

Requirement: The program is required to respond to all non-compliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 2/18/26. The rule requires the program complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-13-18 Attendance

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record.

The following was observed: The attendance record was not being consistently completed and the record did not include the child's weekly schedule.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Pets

Requirement: The program is required to properly care for pets and prevent any threat to the safety or health of the children by the pet.

Finding: During the inspection, it was determined that regulations for having pets were not followed.

The following was observed: All local and state ordinances governing the keeping of animals were not followed. Provider did not have pet files available for review.

Submit the program's corrective action plan to the Department to verify compliance with the requirement of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from an item which may threaten their health, safety, or well-being.

The following was observed: Other: Air freshener plug in was plugged in the program restroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good repair, or other barrier. Although the fence was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The gate was not in good repair and/or being used inappropriately.

The following was observed: The latch on the gate was broken.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program staff is required to protect the children from hazardous conditions in the outdoor play area.

Finding: During the inspection, it was determined that hazardous conditions existed in the outdoor play area.

The following was observed: Other: Objects such as poles from hammock, wood pallet and wired table frame were in the yard near the playset.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/11/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Fall Zone

Requirement: The program is required to place equipment over the proper surfaces.

Finding: During the inspection, it was determined the equipment designated for climbing, swinging, balancing and sliding did not meet the requirements as it was place over or next to hard surfaces.

The following was observed: The fall surface material had not been properly distributed as needed.

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/11/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-12 Safe Equipment

Requirement: The program is required to use equipment that is safe and hazard free according to the manufacturer's guidelines. Fans, air conditioners, heat pumps, and space heaters must be inaccessible to children. The program is required to refrain from using trampolines, ball pits and inflatable equipment intended for climbing and bouncing, including but not limited to slides and bounce houses.

Finding: During the inspection, equipment was determined to be unsafe, hazardous to children, or in need of repair.

The following was observed: The equipment had protruding nails and the air conditioning unit was not enclosed and was accessible to children on the playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
