Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-13-12 Safe Environment
Code: The program is required to refrain from using and storing potentially hazardous items, toxic substances, and outdoor machinery around children.

Findings: During the inspection, a potentially hazardous item or toxic substance was used or stored where children present had access to it as noted in number 9, 14 below. The potentially hazardous substance or items that posed a risk to children was determined to be accessible to children in the bathroom on the bottom shelf above the toilet and the small drawer next to the kitchen fridge.

9. Aerosol cans (bathroom)
14: Other potentially hazardous substance, equipment or machinery: garden shears (kitchen drawer), hand sanitizer (kitchen drawer), eye drops that were marked "keep out of reach of children" (kitchen drawer)

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-13-15 Health Conditions
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Findings: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in numbers 7, 18, 19, 22, 23, 27, 28, 29 below:

For Jayce's DCY1236:
7. Training instructions for procedures for staff to follow were missing or incomplete.
18. Physician's signature was missing or not attached.
19. The date of the physician's signature was missing or not attached.
22. Signature of parent granting permission to implement the plan and verifying training was missing.
23. Date of parent signature was missing.
27. Printed name of child care staff member who have received instructions for care and/or have been trained to perform the procedure were missing.
28. Signature of child care staff member who have received instructions for care and/or have been trained to perform the procedure were missing.
29. Date of staff signature was missing.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5180:2-13-25 Medication Requirements
Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Findings: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication, medical food or a prescription topical product to a child as noted in number(s) [ ] below:

8. The time period to administer was missing on the JFS 01217 for Elsie and Jayce' forms
9. The medication's expiration date was missing on the JFS 01217 for Jayce' form.
10. The Parent/Guardian's dated signature was missing on the JFS 01217 for Jayce' form.

Department of Children & Youth

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
