Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Sanitary Environment

Requirement: This rule requires that the program be cleaned daily and kept in a sanitary condition at all times. Cleaning and sanitizing is not to take place while rooms are occupied by children, except for general cleanup activities such as sweeping, vacuuming, mopping and wiping off tables which are part of the daily routine.

Finding: During the inspection, it was observed that the center is not cleaned daily and kept in a sanitary condition at all times in that the restroom in the lower level had multiple toilets not flushed and used paper towels discarded on the floor. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-20-05 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from items or conditions which may threaten their health, safety, or well-being. The following was observed:

1. An operating fan with openings wide enough for a child's finger to fit through was sitting on the floor accessible to children in classroom 004.

2. There are cord looping cords attached to the screen in classroom 006.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/17/2026

Domain: **08 Staff Files**

Rule: 5180-37-04 Preschool Staff Member Orientation Training

Requirement: The program is required to have individuals who have an assigned schedule with a child or group of children or may be used in ratio complete the online staff orientation training within 30 days of the individual's start date.

Finding: In review of the staff records, it was determined that 2 of 6 individuals used in ratio or who have an assigned schedule with a preschool child or group did not meet the requirements for completing the online orientation training in that there was no verification that staff orientation had been completed within 30 days of employment and 1 of the 2 staff that did not have staff orientation training had sole responsibility of children. Submit the program's corrective action plan to the department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180-37-04 Preschool Staff Member Medical Statement

Requirement: This rule requires any individual who may have an assigned schedule with a preschool child (or group) or may be used to count in ratio to have evidence of a signed medical statement on file on or before the first day of employment.

Findings: During the inspection, it was determined verification of staff medical statements was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 08 Staff Files

Rule: ORC 3301.531 Preschool Staff Member TB Screening

Requirement: The program is required to have every director, staff member and nonteaching employee provide evidence of tuberculosis (TB) screening prior to the first day of employment. Additional TB testing may be required if the individual meets the screening criteria.

Findings: During the inspection, it was determined verification of TB screening was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
